**B.E. Computer Systems.**

Universidad Politécnica Metropolitana de Puebla, Puebla, México.

---

Computer systems engineering student. Currently, I have just finished my studies, but I am waiting to apply and obtain a certain level of English, to get my college degree. I consider myself a person who always likes to learn and strengthen my knowledge. I am excited to apply my knowledge and get feedback of others in order to improve.

---

Solid knowledge of **HTML5, JavaScript and CSS3.**

Strong understanding in **React JS and Responsive and Adaptive Design.**

Experience in projects with **MySQL and PHP.**

Development of projects using **JAVA.**

**Microsoft Azure AZ-900 certified**, little experience in using Microsoft cloud tools.

Communication and teamwork skills, high personal organization and time management.

---

## Languages:

Ingles B1
